MEMORANDUM FOR: IPS/DDA

FROM:

[REDACTED]
DCI Security Committee Staff

SUBJECT: Document Classification Review
Request

1. We have reviewed Item #11 of NLE 78-44 entitled, "Cleared Personnel and Attached Agreement" as requested. Unfortunately, we have failed to locate any record within CIA [REDACTED]

2. In view of the fact that the secrecy agreement reflects that approvals could only be granted by ARPA, Office of the Special Assistant to the Secretary of Defense and ONI, it would appear that this was, in fact, a DoD Program. Therefore, it would seem appropriate that the Department of Defense should advise on its proper disposition.

3. If we can be of further assistance, please advise.
